

Dear Parents/Caregivers

Whenuapai School has five areas that encompass its sport programme. Each area offers a student the opportunity to participate, compete and celebrate their sporting experiences, talents and skills leading to personal development, achievement and success in their chosen sport.

These five areas are:

- Norwest and Interzone Sports events
- Long term Major sports
- Special Sporting Events
- Community Partnerships
- Whenuapai School Sporting Events

One area of our sport programme is our long term major sports where the emphasis is on students representing the school as part of a team competing in a local competition across a period of weeks, a term or a major part of the year. The long term major sports offered in 2019 are:

- Basketball
- Waterpolo
- Netball
- Hockey
- Touch
- Summer Football

Below is general information related to each sport. Could you please read carefully and then note the sport or sports that you would like your son or daughter to represent the school. Please select carefully as the information you provide will be used to finalise the makeup of players, teams, coaches and managers prior to competition start for each sport.

Please Note:

1. Teams that are entered will be based on availability of coaches and managers acting as support to our school teams
2. Websites for further information are detailed above each sport
3. Individual student payment will be required after teams have been finalised
4. Please complete the final sheet of this letter and the AIMS code of conduct form if your son/daughter wishes to participate and return by **Tuesday February 12th 3.00pm** to **sports box** in main reception.

Any questions please email: [gregb@whenuapai.school.nz](mailto:gregb@whenuapai.school.nz)
