### Introduction

- Accepted the minutes for the 11th of June meeting.
- Thanks to Sue Noonan for sponsoring the World-a-thon. We profited \$5,913. Was good that the fundraiser was all sorted and earlier in the year as this helped a great deal for the PTA organisation and the school in regards to profit.

Pie and ice block day was also a success. Utilising the seniors to hand out the ice blocks which aided in delivery. Also due to the lunch flip meant that we could use the teachers to take down the pies for lunch.

- Pizza day has a bit more effort. Hawaiian, Cheese and Peperoni (specialty pizza) pizzas. They have tables outside the hall and students come up with slips with their orders.
- Remember to say thank you to all our helpers/sponsors. Ask jo for the thank you template, then add it to the drop box so we can be self-sufficient.
- Race night: 58 tickets sold so far. Bring some light to this fundraiser again so that we can sell all the tickets and make the most of this fundraiser. Need to sell 60 more tickets and sell two horses. Also doing well for prizes.
- Gifts for Gina and Nicky to say thank you for all their help
