

Kea Team: Week 6 Home Learning

Please remember this is not mandatory - do what you can that works best for you and your family.

Maths	To do: Complete one of these maths activities each day <ul style="list-style-type: none"> <input type="checkbox"/> Calendar Counting Activity <input type="checkbox"/> Cars in Garage Problem Solving Activity <input type="checkbox"/> Make 10 - card game <input type="checkbox"/> I spy, a variation using numbers. I spy with my little eye 4 of these, what do you think they are? You may need to give a little more of a clue! <input type="checkbox"/> Make up some numbr stories with your child 'If there are 7 cows in one paddock and 5 in the other, how many cows does the farmer have?' Write the number story to show this i.e. $7+5=12$. Make up more stories and use counters if needed. 	Extra for experts <ul style="list-style-type: none"> <input type="checkbox"/> Basic facts under 10 - write some down and time how many you can get in 3 minutes! <input type="checkbox"/> Mathseeds <input type="checkbox"/> Number Songs Count forwards and back from 10 Count up to 20 Jack hartman count to 100
Literacy	To do each day... <ul style="list-style-type: none"> <input type="checkbox"/> Read one story daily on Sunshine Classics and complete the follow up activities for the story <input type="checkbox"/> Alphabet Practice - Letter o and u (see ideas below) <input type="checkbox"/> Word work (see ideas below) <input type="checkbox"/> Writing - Have a look at Pobble 365. Choose an interesting picture to write about each day. 	Extra for experts <ul style="list-style-type: none"> <input type="checkbox"/> Reading Eggs <input type="checkbox"/> Storyline Online <input type="checkbox"/> Own reading <input type="checkbox"/> Free choice writing
Fitness:	Jump Jam (aerobics) Cosmic Kids Yoga : (great for calming down)	

Inquiry/Creativity focus: The Arts

At school we are having a focus on the four areas of The Arts. We are working through various visual art, drama, dance and music activities. Here are some ideas for at home.

Visual Art

- Can you make a picture of yourself using things you find in the garden? [Have a look at this example.](#)
- If you have paints at home - can you mix them together to see what colours they make?

Dance

- Have a look at this activity '[Poem Dance](#)' and give it a try.

Drama

- Read some fairy tales or legends - can you retell the story pretending to be a character?

Music

- Can you make a home made instrument? Can you play this to a beat? Have a look [at this blog](#) with many ideas.

Alphabet Work: Pick one activity to focus on a day to help learn about these letters.

- Draw a picture of things that start with the letters
- Use playdough and make the letters
- Handwriting: letter o and u

Word Work: Choose 2-5 words from the duck word cards below. Remember you can choose some that they do know so they feel some success. Choose one way to write your words each day.

- Magic letters - use lemon juice to write some words or letters on plain white paper. Pop it in the sun and let it dry. What can you see after 1 day in the sun?
- Make the words with lego or with other blocks
- Fill a baking tray with salt and write the words/letters in the salt
- Play noughts and crosses with two sight words

Magenta Words: a, me, down, it, on, went, going, come, I, here, in, up, Dad, said, can, look, Mum, am, is, at, the, to, go, we, see

Red Words: that, my, no, and, you, oh, thank you, shouted, an, if, there, for, where, away, then, he, are, home, as

Yellow words: like, she, with, after, big, will, play, not, they, help, this, little, her
